

LONDON SENIOR GAMES

Policy 200-1

GAMES, COSTS, SURCHARGES

- 1.0 The London Senior Games Committee wishes to present the best possible slate of financially viable Games — i.e. Each event must pay for itself to the best of the abilities of the planners involved.
- 2.0 All 'financially' viable events should have a minimum of six participants or six teams. The games will proceed with fewer participants/teams at the discretion of the District Co-ordinator.
- 3.0 Events must be cancelled if not financially viable **or** may be cancelled when participant numbers fall below the numbers in 2.0 above.
- 4.0 User fees rather than Rental fees should be sought where possible to avoid deficits.
- 5.0 All other money decisions must be made by the LSG Board.
